Mark
of the
BEAST?**

13:16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Some speculations

The Apple I went on sale in July 1976 at a price of US\$666.66. The first unit produced was used in a high school math class, and donated to Liza Loop's public-access computer center. The mere fact that the first public computer sold for \$666.66 does not make it to be the mark of the beast.

Microchip in humans

What is it?

It is possible that the technology we are seeing today represents the beginning stages of what may eventually be used as the mark of the beast. This is not to say that the use of technology or those who have microchips have taken the mark of the beast. The mark of the beast will be something given only to those who worship the Antichrist. The mark of the beast will be an end-times identification required by the Antichrist in order to buy or sell, and it will be given only to those who worship the Antichrist.
